The District Board in its Resolution No.4390 dated 26-3-1949, has resolved that it agrees to the adoption of Government scales of pay to the teaching staff in Bd.Secondary schools agreeably to Rc.No.984-G1-48 dated 18-11-1948 of the Director of Public -- Instruction, Madras.

2. For the past 3 years, the District Board has been experiencing great difficulty to secure L.Ts to fill up vacancies in Bd.High schools, Many of the Bd.High schools have not got the full compliment of trained staff for want of trained graduates who are drawn by aided agencies who pay them the Government scales of pay It is therefore both urgent and necessary that the District Board should adopt the Govt.scales of pay with the least possible delay, so as to get the required number of hands to keep up the efficiency of the schools.

3. The extra cost to the Board in the event of the adoption of Government scales of pay communicated in Govt.Memo.No. 41434-B1-49-2 Edn. dated 12-8-49 to the teaching staff in Bd.High schools is estimated at Rs.8,000/- per annum. Necessary provision will be made in the Revised Estimate for 1949-1950.

4. In the circumstances stated above, I request that Government may be pleased to accord necessary sanction for the adoption of Government scales of pay to the teaching staff in Board Secondary schools with effect from 1-4-1949.

Sir,

SUB: SCHOOLS - Secondary - District Board - South Kanara - adoption of Government scales of pay to teachers in Secondary schools under the District Board - Orders requested.
Ref: G.O.Ms.No.3193 Edn. dated 18th October 1949.

---

The District Board at its meeting held on 23-12-1949 has resolved to request Government to permit this Board to adopt Government scales of pay to the teaching staff of the High Schools under the Board with effect from 1-1-1950 for which provision has been made in the Budget.

2. It may not be out of place if I bring to the notice of Government that many of the Board schools are under staffed and that efficiency and popularity of Board schools have suffered considerably for want of a sufficient number of qualified hands in some of these schools, as qualified hands prefer to serve under Aided agencies, who pay them the Government scales of pay.

3. In the circumstances stated above and for reasons already stated in this office Ref.C.No.9590-49-A3 dated 15-9-49 I request that Government may be pleased to accord -- necessary sanction for the adoption of Government, scales of pay to the teaching staff in Board High schools with effect from 1-1-1950.

4. In this connection, I solicit instructions from Government regarding the procedure to be followed in fixing the pay of the incumbents in the Government Scales of pay.

5. A copy of District Board Resolution No.9 dated 23-12-1949 in the matter is enclosed.

Extract from the Proceedings of the meeting of the membe of the South Kanara District Board dated 23-12-1949.

9. Read G.O.No.1057 Edn.dated 8-4-49 permitting the adoption of the Government scales of pay to teaching staff in Board Secondary schools by the Dt.Boards which can afford to meet the entire extra expenditure involved in the adoption of Government scales of pay from their own funds with the sanction of Government.

Also Special Officer's Resolution No.5818 dated 13-9-49 resolving to address Government to accord sanction for the adoption of Government scales of pay by this District Board to the teaching staff of Board Secondary schools with effect from 1-4-1949.

Also G.O.M's.No.3193 Edn.dated 18-10-49 informing the Special Officer, that the proposal to adopt Government scales of pay for the teachers in secondary schools under the District Board with effect from 1-4-1949 should be deferred till the financial position of the District Board improves.

Also office note stating that as the scales of pay sanctioned for the teaching staff under the District Board are lower than the Government scales of pay, available qualified hands are drawn by aided agencies who pay them higher Govt.scales of pay, that many of Board schools on this account are understaffed and that efficiency and popularity ~~considerably~~ of Board schools have suffered considerably for want of a sufficient number of qualified hands in some of ~~the~~ their schools.

RESOLUTION: "This Board requests the Government to permit this Board to adopt Government scales of pay to the High school teaching staff with effect from 1-1-1950 for which provision has been made in the Budget"

From the S.O., Dt. Bd., South Kanara no. 9590-49. A3 d. 13.9.49

The Dt. Bd., South Kanara has resolved to adopt the Govt. scales of pay for teachers in secondary schools under the Dt. Bd with effect from 1.4.1949 agreeing to meet the entire extra cost involved from its own funds. The extra cost is given as Rs 8000/- per annum. ~~Probably~~ Presumably it is the immediate extra expenditure to the Dt. Bd. The ultimate extra cost may be about Rs 12000/- per annum. L.A. Read G.O 3193 Edn d. 18.10.49.
From the P.D.B., South Kanara No. 9590-49-A3 d. 13.1.50

The proposal of the Dt. Bd., South Kanara to adopt Govt. Scales of pay for teachers in Secondary schools under the Dt. Bd. with effect from 1.4.49 was ordered to be deferred in G.O 3193 Edn d. 18.10.49 as the financial position of the Dt. Bd was not satisfactory and the Dt. Bd. could not bear the recurring additional liability of Rs 12 000/- per annum from its funds. The P.D.B has now forwarded a resolution of the Dt. Bd requesting to reconsider their orders and requesting to permit the Dt. Bd to adopt Govt scales of pay for the teachers in Secondary schools with effect from 1-4-50 for the reasons stated at 'X' on p1 c/f. He also states that necessary provision in the B.E for 1950-51 has been made for the purpose. The Govt sanction such the proposals of local bodies only with reference to their financial ability to meet the entire extra cost for the same. It is not likely that the finance of the Dt. Bd would improve within such a short period. + Extra allowance for recreation. The remarks of LA. may be invited.
